Far Infrared Therapy (Clear Meridian Blockage)

Far Infrared Ray is a spectrum of the sunlight. Once the far infrared light energy penetrates into the body, the light energy will become heat energy, similar to acupuncture or reflexology effect to improve Qi flow. It is effective in clearing Qi blockage to improve general well being, naturally relieve body discomfort and tiredness.

Moxibustion and Deep Reflexology

Moxibustion is a form of heat therapy in which dried plant materials called “moxa” are burned on or very near the surface of the skin. The intention is to warm and invigorate the flow of Qi in the body and dispel certain pathogenic influences. Moxa is usually made from the dried leafy material of Chinese mugwort (Artemisia argyi or A.vlugaris), but it can be made of other substances as well.

7-in-1 Multi Wave Technology

7-in-1 Multi Wave Technology works on the combination of a unique 7 energy waves system, which has been scientifically shown to be effective in activating and stimulating Qi flow at optimal level. This optimal Qi flow is scientifically verified using Acugraph energy analysis before the start of each therapy and on-going optimal health maintenance every 3 to 6 months.

Utilising the principles of the human meridian system, the improved energy flow at cellular level enhances the functions of each organ. Only when each cell is healthy, the organs can be healthy. When each organ is healthy, then the respiratory system, immune system, circulatory system, nervous system can be healthy.

7-in-1 Miracle Energy of Life Therapy

Pulse Electro Magnetic Field Therapy (Qi charging)

Negative Ion Therapy (Healthy pH balance)

Far Infrared Therapy (Clear Meridian Blockage)

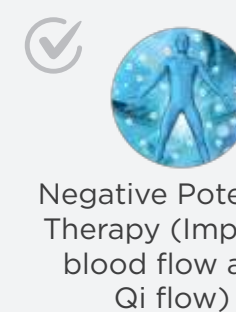

Moxibustion & Deep Reflexology

Intelligent Self-regulation Functional System Balance (Centering Qi)

Hyperthermia Therapy (Inner Warming)

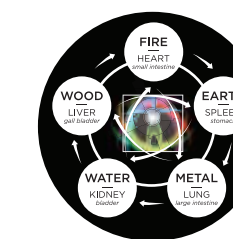

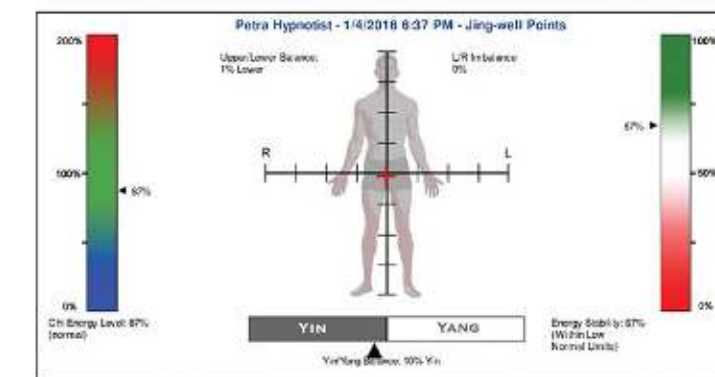

Negative Potential Therapy (Improve blood flow and Qi flow)

Intelligent Self-regulation Functional System Balance (Centering Qi at the diaphragm)

Centering Qi at the diaphragm is balancing the human Biological fields which is aligned with the Traditional Chinese Medicine of the principles of the 5 elements (Fire, Wood, Water, Metal & Earth) harmony theory.

The Miracle Wave Modulation Technology(WMTTM) in the Miracle Energy of Life harmonises and regulates all the multi waves in its relation to your personal biofield energy. Centering Qi is similar to people who regularly exercise Qigong, Taichi, meditation or yoga.

INTELLIGENT SELF-REGULATION FUNCTIONAL SYSTEM BALANCE

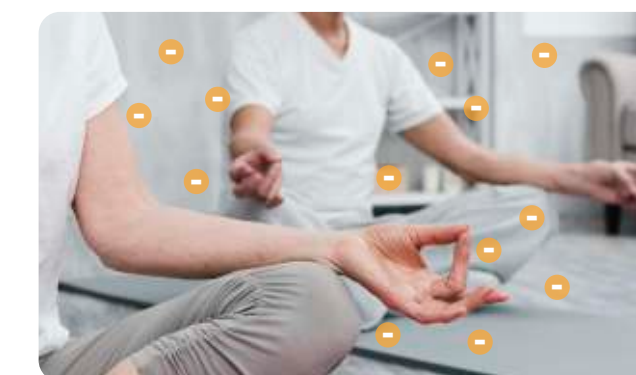

Hyperthermia Therapy (Inner warming)

According to Traditional Chinese Medicine theory, blood flows well with heat. Heat from within is a healthy body terrain to enjoy optimal health, natural beauty and youthful skin.

Negative Potential Therapy (Improves Blood flow and Qi flow)

Negative Potential Therapy strengthens the flow of Qi from within, hence effective in clearing energy blockage to naturally relieve body discomfort and tiredness.

Pulse Electro Magnetic Field Therapy

Pulse Electro Magnetic Field Therapy uses low frequency magnetic field to help charge up each cell at optimal level (100% battery), similar to lying on a human charger.
